

ecoClean™

100% Bio-Based Cleaners

ecoClean™ Products Are:

- ▶ Bio-Based
- ▶ Safe to use, store & dispose of
- ▶ Readily Biodegradable
- ▶ Non-Toxic
- ▶ Non-Carcinogenic
- ▶ Hypoallergenic
- ▶ Non-Corrosive
- ▶ Non-Hazardous
- ▶ Non-Caustic
- ▶ Non-Fuming
- ▶ Low-Foaming
- ▶ Non-Flammable
- ▶ From renewable resources

ecoClean™ Does Not Contain:

- ▶ Ozone Depleting Substances
- ▶ Synthetics
- ▶ Terpenes
- ▶ Petroleum Distillates
- ▶ Glycol Ethers
- ▶ Caustics
- ▶ Builders & Reagents

ecoClean™ GP Specifications:

- ▶ **Flash Point:** None
- ▶ **Odor:** faint odor
- ▶ **Boiling Point:** 214.4 F
- ▶ **Freezing Point:** 28.0 F
- ▶ Specific Gravity: 1.001
- ▶ **Solubility in water:** 100 %
- ▶ pH: 10.3—10.7
- ▶ **Appearance:** Clear gold liquid

General Purpose Concentrate EC-GP15

For cleaning of virtually any surface. Dilution per application. For use on counters, appliances, walls, floors, wood, tile, vinyl, tables, chairs, desks, etc.

ecoClean™ GP15 Description:

ecoClean™ GP15 Concentrate is formulated from 100% biobased ingredients to make a highly concentrated colloidal cleaner/degreaser. This efficient cleaner uses the power of nanotechnology and colloidal micelles to tackle the most challenging cleaning situations. One gallon of **ecoClean™ EC-GP15** makes 16 gallons of ready to use medium cleaner.

ecoClean™ GP15 is an extremely effective cleaning solution, capable of removing all hydro-carbon soils (petroleum derivatives, fats, oils, greases, lipids, proteins, and sugars).

ecoClean™ EC-GP is safe for use on any surface including metal, aluminum, fabrics, vinyl, rubber, painted surfaces, leather, etc.

ecoClean™ Dilution:

- ▶ Dilution Rates are general recommendations
- ▶ Adjust concentrate with water as needed
- ▶ On hard to clean surfaces allow dwell time as below
- ▶ Rinse thoroughly with water to remove soil and residual product

ecoClean™ Suggested Dilution Rates:

- ▶ **Light Cleaning:** 1 to 4 ounces per gallon of water.
- ▶ **Medium Cleaning:** 5 to 8 ounces per gallon of water.
- ▶ **Heavy Cleaning:** 9 to 12 ounces per gallon of water.
- ▶ **Degreasing:** 13 to 32 ounces per gallon of water.

ecoClean™ Ingredients:

Alkanolamines, amino acids, corn and soy oil, nonionic surfactants, plant based fatty acids and organic alcohol in a base of colloidal micelles.

Hard to Clean Method of Application:

- ▶ Apply to surface to be cleaned using a spray washer or a trigger sprayer
- ▶ Let dwell on surface for 5 to 15 minutes, depending on the severity of cleaning to be performed
